

FRIENDS OF THE MARBLEHEAD PUBLIC SCHOOLS

Granting Educational Enrichment for 20 Years

Thank Our Teachers

May 2010

Dear Families of Marblehead Public School Students:

We are pleased to introduce the Friends of the Marblehead Public Schools (*FMPS*) "Opportunity To Thank Our Teachers" program. This program is designed to provide parents with a simple and effective way to demonstrate appreciation for teachers and Marblehead Public School staff members who have had a special impact on their children.

FMPS is the only organization in the Town of Marblehead that dedicates itself to enhancing the public schools by funding grants to support professional development and curriculum enrichment for students in grades pre-K through 12. Since 1991, *FMPS* has funded more than \$900,000 in grants and educational initiatives.

By honoring teachers or staff with a donation in their name, you will help *FMPS* to support teacher-initiated pilot programs, curricula, and technology in Marblehead's schools. With extremely tight budgets and heightened expectations, *FMPS* funding is more critical now than ever to the success of our teachers and their students.

How does the *FMPS* Opportunity To Thank Our Teachers program work?

Families may donate in the name of any teacher or staff member in Marblehead's public schools at the elementary, middle or high school level.

Simply complete the form to the left and it mail to: *FMPS*, P.O. Box 718, Marblehead, MA 01945.

Or, if you prefer, you may donate via our website: FriendsOfMarblehead.com. Select the Teacher Appreciation tab, fill out the information requested, and make your gift online.

Once your tribute is received by *FMPS*, we will send out a special acknowledgement card to the teacher/faculty member you designated to let them know that a donation to *FMPS* has been made in their honor. While donor names are not revealed to the honorees, they will feel rewarded to discover how deeply their work has been appreciated.

Let a teacher or faculty member know how grateful you are for the positive impact they have had on your family. Please make a donation dedicated in their honor today!

Thank you in advance for your generous support and for honoring the talented and dedicated faculty and staff of the Marblehead Public Schools.

Sincerely,

Beezee Honan, President *FMPS*
